

TOURNAMENT PACKAGE

2009

LEGENDS ON THE NIAGARA

Thank you for considering Legends on the Niagara as the host facility for your golf event. Our business is creating an entertaining event that elevates your organization in the eyes of your staff, special customers and suppliers.

Located on the scenic Niagara River, Legends on the Niagara provides a breathtaking natural setting that is home to a 45-hole public golf complex with a multi-functional, 35,000 square foot Clubhouse just upstream from the thundering of the Falls.

Our meandering two-kilometer driveway will give your guests a glimpse of the 1,000 acres of meticulously manicured courses and leads to a spectacular stone and cedar Clubhouse, designed by architect Peter Berton. The exterior of this two-story pavilion was inspired by the image of a 19th century fort, but it incorporates all the features of a destination golf Clubhouse. Large expanses of glass throughout the clubhouse offer panoramic views of the Battlefield course, as well as more intimate views of the ninth and eighteenth greens.

Legends on the Niagara features an astounding 700 acres of golf offering two unrivalled 18-hole championship courses including:

- **Battlefield** course, a Douglas Carrick design
- **Ussher's Creek** course, a Thomas McBroom design
- 9-hole **Chippawa** short course, co-designed by Carrick & McBroom
- 45-acre, 360-degree practice facility (the first of its kind in Canada)
- Home of the Mike Weir Estate Winery, 2003 Masters Champion

Our remarkable 5-star golf courses have been designed with the utmost care to preserve and enhance the environmental features of the land. The mist of the Falls, the Niagara River rapids, Historic Navy Island and the sites of the Battle of Chippewa, serve as a picturesque backdrop to Legends on the Niagara.

Finally, we are aware of the many challenges facing every event and our experts will work with you to create an experience that conveys the message you want. Together we will custom-design an event that meets both your budget and enjoyment goals and will exceed the expectations of your guests.

Sincerely,

Mike Purnell

GROUP PACKAGE INFORMATION

Rules and Policies

Please be sure all tournament players are familiar with the following rules and policies.

Slow Play

When setting up tee times for your group, please be sure all of the beginners and less experienced golfers are not in the same groups.

- Legends on the Niagara has an established time it should take to play 18 holes. That time should never exceed 4 ½ hours.
- Please use the Snack Bar between nines. The Clubhouse should only be used when the snack bar is closed.
- If a tournament group should fall behind, they may be asked to move to the forward tees or to catch up to the group in front of them.
- Different formats are available to help speed up play for your tournament:
 - **Scramble:** Each player tees off. Choose the best shot and everyone will hit from that position. Continue choosing the best shot until the ball is holed out.
 - **Shamble:** Each player will tee off. You will then choose your group's best tee shot. From that position, everyone will then play his or her own ball for the remainder of the hole.
 - **4-person Best Ball:** Everyone will play their own ball and your team total will consist of the two best scores on each hole.

Dress Code

Blue jeans and tank tops are not permitted on the course. Shirts must have a collar. Shorts must be dress shorts with Bermuda length. Ladies may wear a sleeveless golf shirt.

Alcohol on the Course

Ontario Laws do not allow players to bring their own alcohol. Coolers will be confiscated. Beverage services are available on the golf course.

Rain Policy

Legends on the Niagara has one of the best rain policies in the business. If your tournament day is a complete rainout, you are not required to pay for your green fees. If your group only completes 9 holes, you are only required to pay for that amount or we can give your guests a 9-hole rain check that expires one year from the tournament date. Rain checks allow your guests to come play Legends again at their convenience. However, your group is required to stay for your prearranged meal option. We will work with you to help move up the timing of your food so it is more convenient for you and your guests.

GROUP PACKAGE INFORMATION

Shotgun

Although we do have some flexibility with start times, shotguns are normally at 8:00am or 1:30pm and they must be guaranteed with a minimum of 120 golfers. Your entire group will tee off simultaneously utilizing all 18 holes. This format will allow your group to finish at the same time.

Modified Shotgun

For groups with a minimum of 72 golfers and wishing to have a shotgun start, we offer a modified shotgun start on select dates. An example of a modified start for 72 golfers would have everyone start on holes 1 thru 10. Our tournament coordinator will assign the starting holes to be used. This format will allow your group to finish at the same time.

Double Tee/Crossover

A double tee format is when golfers tee off on #1 and #10 at the same time using 9-minute tee time intervals. This allows golfers to finish a lot closer together to help with timing for any after golf food and beverage plans. This starting time set-up is ideal for groups of 50 or more.

Single Tee

A single tee format is where everyone tees off on the first hole using 9 or 10-minute tee time intervals. This format is most commonly used for groups of 50 players or less.

Deposit & Payment Policy

The Niagara Parks policy requires an advance deposit of 10% of your groups estimated costs at the time of the booking. Final payment in full is required upon the presentation of your bill (immediately after the function) for all services rendered by Legends on the Niagara golf course and restaurant (cash, cheque and all credit cards accepted). In the case of cancellation less than 90 days prior to the function, the deposit will be forfeited.

Guarantees

Thirty days prior to your event you will be expected to give an estimated count for golf any food & beverage requirements. Two weeks before your event date you will be asked for an exact count that must be within the 10% of your thirty-day count. The two week count will be considered your final count and is not subject to reduction. If the guarantee is not communicated within the aforementioned time frame, the number of expected attendees on your contract will be considered the guarantee. We will charge for the minimum number of guests guaranteed or the actual number of guests in attendance, whichever is greater.
